

WRITING ASSESSMENT

Write your final composition here.

My best gift I received is my cell phone. It is special to me because I can talk to my friends all day on it. Have fun playing games. When I walking with my friends I have to my cell phone so I can call mom tell her where I am going with my friends. I got my cell phone for Christmas in December 25, 2004. It was to be present I got for Christmas. My mom got for me. Now I have to pay my bills to keep it turn on.

Score Point: 2

This response is considered flawed. A low degree of proficiency is reflected. The writer selects a favorite gift (my cell phone) and cites reasons for this choice (I can talk to my friends, have fun playing games, and I can call my mom). There is little relevant detail or development. The writing is marred by numerous word omissions and sentence structure errors. Further development and stronger organization are required for a higher score.
